Dear Applicant:

Thank you for your interest in becoming affiliated with the American Society for Enology and Viticulture. An application is attached for your review. A company which becomes an Industrial Affiliate is entitled to the following benefits:

- Annual online subscription to the American Journal of Enology and Viticulture (AJEV), including online access to full AJEV archives from 1950
- Reduced registration rates for up to four (4) employees to the ASEV National Conference, Unified Wine & Grape Symposium and other ASEV sponsored events
- Company name and contact information in our searchable online Member/Affiliate Directory
- Access to the online (searchable) ASEV Membership/Affiliate Directory
- Certificate of affiliation

ASEV Affiliation is based on a calendar year. If your form is received on or after October 1, your affiliate status will be activated for the next calendar year unless you request otherwise on the form. Your company must be a current affiliate during the calendar year of any ASEV-hosted event to benefit from reduced registration rates. Online access to AJEV will become active on January 1. Your company's name may not appear in the next AJEV issue list, depending upon when we receive your application in regard to our publication schedule.

Please do not hesitate to contact our office if you have any additional questions. We look forward to receiving your application and having you affiliated with our wine and grape industry association.

Sincerely,

American Society for Enology and Viticulture
